

Township of Ocean School District

Technology Repair Costs

Grades 6 – 12

The Township of Ocean School District offers information regarding a third party insurance option for your child's Chromebook. Understand this insurance offering is not through Ocean Township Schools. If you select this insurance you are entering into this agreement with the Worth Ave. Group. By using the link below Worth Ave. Group will provide a 10% discount from their normal rate to insure the Chromebook.

If you do not purchase insurance for your child's Chromebook and damage does occur, the repair costs noted below will apply. Students will receive a loaner Chromebook upon receipt of total cost. The loaner Chromebook will be collected upon completion of repair.

Level 1 Repair \$25.00	Level 2 Repair \$50.00
*Charger	LCD Panel
Hinge Kit	*Battery
LCD Bezel	*KeyBoard
Back Cover	*TrackPad
*Chromebook Sleeve	*MotherBoard
Chromebook Replacement Cost	\$225.00

Items with a "*" are no charge to the user, unless there is evidence of physical damage. Charger costs noted above are to replace lost chargers or physically damaged chargers.

Payment of replacement fee does not guarantee student will receive a new device.
